## UPCOMING EVENTS

This week, our camps are gearing up for two fantastic themed days! On Thursday, indoor campers will unleash their powers and imagination for Superhero Day — dressing up as beloved heroes or inventing their own with capes, masks, and super skills. Then on Friday, outdoor campers will bring the fun with Tacky Tourist Day, sporting vibrant shirts, oversized sunglasses, cameras, and all the classic vacation gear for a day full of laughs and adventure. We're looking forward to seeing everyone's creativity and camp spirit shine!

Themes for Aug. 11<sup>th</sup> - Aug. 15<sup>th</sup>

Indoor: Shipwreck Seekers:  
Nautical Adventures & Lost  
Treasure

Outdoor: Nature Detectives:  
Clue into Conservation

## CAMP HIGHLIGHTS

Campers were amazed by the magic of science during our Walking Rainbow activity! Using cups of coloured water and paper towels, they watched as the colours "walked" and mixed to create a beautiful rainbow right before their eyes. It was a fun, hands-on way to explore colour mixing and capillary action!

Campers had an exciting time riding the AQ Train through the Brockville Railway Tunnel! As they travelled through the tunnel's glowing lights and echoing walls, campers got a unique glimpse into local history in a fun and memorable way.

## CAMPER CORNER

- Campers dove into ocean science by creating their own mini saltwater aquariums! They designed underwater scenes while learning about marine habitats. It was a creative, hands-on way to explore life beneath the waves — no snorkel required!
